BARTLETT-In East Oakland, Cal., February 27, Ichabo Bartlett, aged 85 years.

[L. Bartlett, Esq., a former resident of this place, long and favorably known as a business man, died at his home in the city of Oskiand, Califbraia, on the 25th of February last. A private lefter says: "He was confined to his room six weeks and passed through great physical suffering, but his faith and politicus never wavered. He was not troubled with any doubts or anxieties. He fait his Saviour near to comfort and sectain, and the future was entirely unclouded. Our friends were unfilling in their ministries. The last rites were performed Sunday, March 1st, at 1 p x." Mr. Bartlett left a well and three children to mourn the loss of a kind luxuand and father. His life was insured in the New England Life Institutore Company, (Castle & Cooke, agents), for ten thousand dollars.—Cook.)

and 6 months.

### NOTES OF THE WEEK,

The regular term examination at Panahou College will take place on Thursday and Friday of

WHALERS .- By reference to our shipping memorands a number of whalers will be found reported cruising both east and west of this group.

H. B. M. ship Tenedos, Capt. Ray, will leave arly next week for Victoria, Vancouver's Island. She will return here next fall. FURNITURE SALE .- Mr. Bartow will to-day sell

Wickets will be pitched at 12 o'clock noon.

FULLY DUE.-Capt. Shepherd made a mistake when he changed the Comet's good old name to Hokulele. Had he tried to shorten it instead of putting a tail on, he might have improved it. With her new name the favorite packet has evidently lost her reckoning, though we hope to see her in to-day.

FOR SAN FRANCISCO. - The U. S. ship Portsmouth, Commander Skerrett, will sail on Monday next for San Francisco, and will probably take a mail. We understand that the U. S. steamer Narragansett has been detailed to take up and continue her surveying service, for which a steamer is much better adapted.

The name of the schooner Mary Foster has been changed to Kamoi,-to replace as nearly as possible Captain Hobron's favorite vessel of that name, which was always very popular with the travelling public on the East Mani route. Captain Cluney is in command, and the schooner will leave to-day or to-morrow for Kahului.

HOOKUPU.-The natives are fond of showing their aloha for their Chiefs. On Saturday forenoon last hundreds of them might have been seen entering the palace grounds bearing gifts to Queen Kapio lani. And yesterday crowds of them took gifts to Queen Dowager Emma and H. R. Highness Charles Kanzina, at Halmoipu the residence of the late King Lunaillo.

MADAME ANNA BISHOP .- A letter received by us from this lady says she is greatly disappointed in not being able to leave in the City of Melbourne, as she had planned, but hoped to come on in the Mikado, leaving March 28. The detention was caused by a lawsuit, which had been submitted to refer ees, but had not been finally settled when the steamer left.

The Chamber of Commerce beld its regular monthly meeting on Wednesday last, at which the subject of changing the rates of pilotage came up for discussion, on a memorial from the pilots. The matter was referred to a select committee, who will report at a special or the next regular meeting. The Chamber has no power to change the present regulatious, but their recommendation will doubtless have weight with the Legislature.

The U. S. ship Tuscarors, Commander Belknap, left port on Tuesday at II A. M., to continue her deep sea sounding. She will follow the lat. 20' North, till near the Bonin Islands, when she will make a circuit to Japun, touching at those Islands. The voyage will probably consume forty days or

Loszes, March 6 .- The War Office has received no official advices of the capture of the King of Ashantee. A dispatch from Garnet Wolseley, dated prior to the taking of Coomssie, declared that the overtures for peace on the part of the Ashantees were treacherous, and part of the plot to lure the army to destruction. Lospon, March 4th, - Preparations are being made for a monster demonstation in Hyde Park, March 15th, in favor of amnosty to incarcerated Fenians. It is anounced that the Duke of Edinburgh and his bride, accompanied by the Queen, will enter London

Contributions of money and clothing are pouring in, and all the theatres have given performances in aid of the cause. Telegrams are received from provincial authorities, offering moral and material support.
